About EUROEM 2016

We look forward to welcoming you to London for EUROEM 2016, the leading forum for the international scientific and engineering community of High-Power Electromagnetics.

After a 16 year absence from the UK, the conference will be held at Imperial College London, a prominent centre for electromagnetics research.

The London symposium will be the 21st meeting in this established and widely recognised AMEREM/EUROEM series. You will attend a comprehensive five day technical programme packed full of networking opportunities including the welcome drinks reception at the fantastic London Transport Museum in vibrant Covent Garden and the gala dinner on the spectacular banks of the Thames at the home of the IET - Savoy Place.

Interested in sponsoring or exhibiting at EUROEM 2016?

Sponsoring or exhibiting at this event will place your organisation in a unique position to promote your brand, products and services and position your company in a lead role within this industry. We are offering **early bird rates** for those that sign up to an exhibition stand or sponsorship package before **30th June 2015**. Please get in touch to see what great benefits you will receive with the EUROEM promotional packages, contact Mandy Mercer, **T:** +44 (0) 1438 765571, **E:** mmercer@theiet.org
